# HOGWASH

By Arthur Geisert

It's bath time! All the little piggies have had lots of fun playing, and now they're dirty. But their mamas aren't worried—they have just the machine to turn the Herculean task of bathing them into an adventure. Arthur Geisert's intricate etchings reveal the inner workings of an enormous contraption that can lather and scrub a whole farm full of dirty little piggies in no time at all—and that's not just a bunch of hogwash!
