

ZATHURA™

A NEW ADVENTURE FROM THE WORLD OF JUMANJI

Ideas to Host a out-of this-world *Zathura* Event!

(Here are suggestions and materials for your event. Some of the materials mentioned below are not provided in this kit.)

What to do:

- ★ When children arrive, pass out the enclosed *Zathura* nametags
- ★ Have “Space Adventure” story-time and read the original *Zathura* book and the exciting Movie-tie-in titles *Zorgons Attack!* and *Brothers Together*.
- ★ Get the event going with a game of “Robot Says” – it’s like Simon Says, but with a robot.
- ★ For your space “craft,” give each child a galaxy mobile to cut out string, and hang. Decorate with silver star stickers or a silver marker.
- ★ Hang up map of the solar system and identify the planets.
- ★ End your in-store out-of-this-world *Zathura* event with a raffle drawing for the *Zathura* movie poster. Collect all of the nametags in a bag or bowl, pick one out and then announce the winner!
